Rick – Michal noted she did not have any concerns but just wanted to check if you had any before we send it out.

Sorry if I missed your response. Thanks

No concerns, tho I wonder how many more requests for letters like this you may end up getting as a result!

Just a small heads up that we are approving Clarke's new containers as being free of PFAS and thus able to be uses their Anvil 10+10 product. Will be signed at Branch Chief level. Let me know if you have any concerns.
